May 2020

**Certification, Fundamentals of Digital Marketing**, *Google*

April 2020

**Bachelor of Arts in Political Science**, *University of California, Riverside*

July 2015

## PROJECTS

### Babel Recipe Generator

GitHub Repo: <https://github.com/https-github-com-steversonTong/Recipe-Generatorf>

Deployed Project: <https://https-github-com-stevensontong.github.io/Recipe-Generatorf/>

**Summary:** A user-friendly recipe generator app that prompts the user to input ingredients, and then generates recipe cards. Recipes containing more user-selected ingredients are rendered higher in the search.

**Role:** Designer responsible for front-end styles and for back-end AJAX call.

**Tools:** HTML, CSS, Tailwind CSS, JavaScript, jQuery, Edamam API, Font Awesome

### Weather Dashboard

GitHub Repo: <https://github.com/rschm007/Weather-Dashboard>

Deployed Project: <https://rschm007.github.io/Weather-Dashboard/>

**Summary:** A web app that gives the user a present forecast and 5-day forecast for any city.

**Role:** Sole author.

**Tools:** HTML, CSS, Tailwind CSS, JavaScript, jQuery, Momentjs, OpenWeather API, Font Awesome

### Team Template Generator

GitHub Repo: [https://github.com/rschm007/Team\\_Template\\_Generator](https://github.com/rschm007/Team_Template_Generator)

**Summary:** A CLI app that prompts the user for information about the team manager and then the team members. After going through inquirer prompts (and passing the validation tests), the app will create a HTML file that dynamically inserts each team member's information into cards.

**Role:** Sole author.

**Tools:** Tailwind CSS, PUG, JavaScript, jQuery, Node, Jest, CLI, GitHub API, Font Awesome

## EXPERIENCE

### OWNER/SOLE PROPRIETOR

Schmahl Aquariums, *Orange County, CA*

October 2017–Present

Founder and operator of my own aquarium service business based in Orange County.

- Built company website via Google Sites, wireframing from scratch with Adobe Photoshop. Administered domain and DNS hosting via Google Domains. Google Forms for contact fields and ensured mobile responsiveness.
- Consistently ranked as one of the region's top-rated aquatics specialists on the Thumbtack app.
- Contacted clients to provide invoice estimates for installations, maintenance, and consultations.

### ASSOCIATE GRAPHIC DESIGNER

South Coast Repertory, *Costa Mesa, CA*

March 2018–June 2020

As part of a highly collaborative team, spearheaded daily design for a Tony Award-winning art institution with an established, 55-year brand.

- From concept to creation, designed original show artwork, website content and marketing campaigns for 26 theatre productions. Created the organization's first mobile-responsive digital brochure.
- Collaborated with all department stakeholders successfully to accomplish event, fundraising, and play promotion goals.
- Led as staff photographer for studio photoshoots and patron events.

### TEAM COORDINATOR

AmeriCorps/ 55,000 Degrees/Louisville Metro Government, *Louisville, KY*

August 2016 – August 2017

Managed a citywide team of full-time AmeriCorps volunteers, recruited new volunteers, and promoted the AmeriCorps organization on a regional scale.

- Built relationships with individual volunteers and provided mentoring. Retained 94% of volunteers, exceeding the average Kentucky volunteer retention rate of 71%.
- Created social media campaign by interviewing volunteers from 5 different AmeriCorps projects. Arranged video shoots, shot video, and served as creative head for video series.

### COMMUNICATIONS SPECIALIST

AmeriCorps/ SOAR (Shaping Our Appalachian Region), *Pikeville, KY*

August 2015 – August 2016

Co-led in conceptualizing and implementing new marketing strategies for a regional economic think tank. Organized and facilitated over 20 community events.

- Responsible for a 30% increase in organic Facebook engagement over a 3-month period.
- Created, edited, and digitally published the monthly SOAR newsletter.
- Worked closely with local web developers in constructing a new organization website via Drupal Commons. Self-taught HTML and CSS in order to solve challenges more effectively with web developers.
- Conceptualized a regional social media app constructed for the purpose of strengthening local business networks.
- Strategized, planned, and facilitated over 20 community events.
